

Disease Information Editorial Board

Thomson Micromedex disease information supports identification and treatment of diseases by physicians in clinical settings. Our disease information is written and peer reviewed by a world-class editorial board of practicing physicians recognized as experts in their various specialty fields.

Disease Content Editorial Board

Editor-in-Chief

- **Richard S. Klasco, MD, FACEP**, Chief Medical Officer for Thomson Micromedex, and Assistant Professor of Surgery at University of Colorado School of Medicine

Deputy Editor

- **Barry D. Weiss, MD**, Professor of Clinical Family and Community Medicine, Department of Family and Community Medicine, University of Arizona College of Medicine

Evidence-Based Medicine

- **Lorne Becker, MD**, Chairman of the Department of Family Medicine at SUNY Upstate Medical University, State University of New York, Syracuse

Section Editors

Allergy and Immunology

- **Phillip L. Lieberman, MD**, Clinical Professor of Medicine and Pediatrics in the Department of Medicine and Pediatrics, Divisions of Allergy and Immunology, at the University of Tennessee Center for the Health Sciences

Cardiology

- **James L. Ritchie, MD**, Professor of Medicine and Director of the Division of Cardiology at the University of Washington School of Medicine, Seattle

Dermatology

- **Jeffrey P. Callen, MD**, Professor and Chief of the Division of Dermatology at the University of Louisville School of Medicine, Kentucky

Endocrinology and Metabolic Disease

- **Stanley G. Korenman, MD**, Chief, Division of Endocrinology at the UCLA School of Medicine Center for Health Sciences

Gastroenterology

- **Lucinda Harris, MD**, Assistant Professor of Clinical Medicine, Division of Gastroenterology and Hepatology, Department of Medicine, Weill Medical College of Cornell University

Hematology

- **Ken Zuckerman, MD**, Harold H. Davis Professor of Cancer Research; Professor of Oncology, Internal Medicine, and Biochemistry/Molecular Biology at University of South Florida College of Medicine and H. Lee Moffitt Cancer Center and Research Institute

Hepatology

- **Willis C. Maddrey, MD**, Professor of Internal Medicine and Executive Vice President for Clinical Affairs at The University of Texas Southwestern Medical Center at Dallas

Infectious Diseases

- **Marvin Turck, MD**, Professor of Medicine at the University of Washington, Seattle

Nephrology

- **Saulo Klahr, MD**, Simon Professor of Medicine and Director of the Renal Division, Washington University, St. Louis

Neurology

- **Louis Caplan, MD**, Professor of Neurology, Harvard Medical School; Chief, of the Stroke Service, Beth Israel Deaconess Medical Center

Oncology

- **David S. Ettinger, MD**, Professor of Oncology and Medicine at Johns Hopkins University School of Medicine; Associate Director for Clinical Affairs; and Associate Director for Clinical Research and Director of the Outpatient Department at the Johns Hopkins Oncology Center

Psychiatry

- **Jennifer Gotto, MD**, Assistant Clinical Professor, Department of Psychiatry and Behavioral Sciences, Keck School of Medicine, University of Southern California

Pulmonary and Critical Care Medicine

- **Glen A. Lillington, MD**, Clinical Professor of Medicine at Stanford Medical Center

Rheumatology

- **Eric Gall, MD, FACP, FACR**, Professor and Chairman, Department of Medicine, The Chicago Medical School, Finch University

Thomas V. Taylor, MD

St. Joseph Hospital, Houston, Texas

Michael D. Tharp, MD

Department of Dermatology, Rush-Presbyterian-St. Luke's Medical Center

Tate Thigpen, MD

Professor of Medicine, Director, Division of Medical Oncology, The University of Mississippi Medical Center

Ian M. Thompson, Jr., MD

University of Texas Health Science Center at San Antonio

Mauricio Tohen, MD

Eli Lilly Corporate Center

Guillermo Torre, MD, PhD

Associate Professor of Medicine, Department of Cardiology, Baylor College of Medicine

Vincent E. Torres, MD

Department of Nephrology, Mayo Clinic

Gregory C. Townsend, MD

Assistant Professor of Medicine, Division of Infectious Diseases, Department of Medicine, University of Virginia School of Medicine

David E. Trentham, MD

Associate Professor of Medicine, Department of Medicine, Harvard Medical School, Physician, Beth Israel Deaconess Medical Center

B. Todd Troost, MD

Department of Neurology, Wake Forest University School of Medicine

William R. True, PhD, MPH

Professor of Community Health, School of Public Health, St. Louis University Health Sciences Center

Mark O. Tucker, MD

St. Joseph Hospital, Houston, Texas

Marvin Turck, MD

Professor of Medicine, University of Washington, Seattle, Washington Editor, Journal of Infectious Diseases

Peter D. Utsinger, MD

Chief of Rheumatology, Chestnut Hill Hospital

Andre S. Van Herle, MD

Division of Endocrinology, UCLA School of Medicine

M.T. Vlachaki, MD

Assistant Professor Department of Radiology Baylor College of Medicine

Everett E. Vokes, MD

Professor of Medicine, Department of Medicine and Radiation and Cellular Oncology, Pritzker School of Medicine

Pantel S. Vokonas, MD

Professor of Medicine and Public Health, Boston University School of Medicine, Director, Department of Veterans Affairs, Normative Aging Study

Joan M. Von Feldt, MD (FACP)

Assistant Professor of Medicine, Division of Rheumatology, University of Pennsylvania

Daniel J. Wall, MD

Department of Dermatology, Rush-Presbyterian-St. Luke's Medical Center

Neil V. Waravdekar, MD

Frederick Medical and Pulmonary Associates

Fredrick L. Weber, Jr., MD

Department of Internal Medicine, Liver Unit, University of Cincinnati Medical Center

Esther Wei, NP, CDE

Cornell Internal Medicine Associates, Department of Medicine

Stuart A. Weinzimer, MD

Assistant Professor of Pediatrics, University of Pennsylvania Children's Hospital of Philadelphia

Elke Weisshaar, MD

Wake Forest University School of Medicine

Victoria P. Werth, MD

Associate Professor, Department of Dermatology, University of Pennsylvania, School of Medicine, Veterans Affairs Medical Center

Richard Whitley, MD

Professor of Pediatrics, University of Alabama, Children's Hospital Ambulatory Care Center

Neal W. Wilkinson, MD

Department of Surgery, Roswell Park Cancer Institute, State University of New York at Buffalo

Gordon H. Williams, MD

Professor of Medicine, Department of Medicine, Harvard Medical School; Endocrine-Hypertension Division, Brigham and Women's Hospital

Paul W. Willis IV, MD

Division of Cardiology, School of Medicine, University of North Carolina

Franz Winklhofer, MD

Department of Internal Medicine, University of Kansas Medical Center

Brian Wispelwey, MD

Associate Professor of Medicine, Division of Infectious Diseases, Department of Medicine, University of Virginia School of Medicine, Director, Infectious Diseases Clinic, University of Virginia School of Medicine

Susan I. Wolk, MD

Department of Psychiatry, Columbia University College of Physicians and Surgeons

Karen L. Woods, MD

Associate Professor of Medicine, Baylor College of Medicine

Robert L. Wortmann, MD

Professor and Chair, Department of Internal Medicine, The University of Oklahoma College of Medicine-Tulsa

Arthur M. F. Yee, MD, PhD

Assistant Professor of Medicine, Hospital for Special Surgery and New York Presbyterian Hospital, Weill Medical College at Cornell University

Ian Yip, MD

Assistant Professor of Medicine, Division of Clinical Nutrition, UCLA School of Medicine

Ken Y. Yoneda, MD

Assistant Professor of Medicine, Division of Pulmonary and Critical Care, University of California Davis School of Medicine, University of California Davis Medical Center

Julie E. York, MD

Department of Neurosurgery, University of Washington

Craig C. Young, MD

Associate Professor of Orthopaedic Surgery and Community & Family Medicine, Medical College of Wisconsin

Susan Yount, PhD

Center on Outcomes, Research and Education (CORE), Evanston Northwestern Healthcare, Northwestern University

Muhammad B. Yunus, MD

Professor of Medicine, Section of Rheumatology, University of Illinois, College of Medicine

James R. Zabora, ScD

Associate Director, Community Research, The Johns Hopkins Oncology Center

Carlos A. Zarate, Jr., MD

Department of Psychiatry, University of Massachusetts Medical School

Jack M. Zimmerman, MD

Church Hospital

Bernard Zimmermann III, MD

Associate Professor, Department of Medicine, Boston University School of Medicine, Roger Williams Medical Center

Adam Zivin, MD

Department of Medicine, Division of Cardiology - Arrhythmia Services, University of Washington Medical Center, Seattle, Washington

Clifford W. Zwillich, MD

Professor and Vice Chair of Clinical Affairs, Department of Medicine, University of Colorado School of Medicine

Omar I. Madriz, MD
Clinical Instructor, Department of Colon and Rectal Surgery, University of Texas at Houston Medical School

Charles Maltz, MD, PhD
Division of Gastroenterology and Hepatology, Weill Cornell Medical School

Robert Marcus, MD
Professor of Medicine, Director, Aging Study Unit, Department of Medicine, Stanford University School of Medicine, Veterans Affairs Medical Center

Marylinn Markarian, MD
New York, NY

Joseph Markenson, MD
Attending physician, Hospital for Special Surgery, New York, NY. Professor of Clinical Medicine, Weil Medical College, Cornell Medical School

John L. Marshall, MD
Georgetown University Hospital, Lombardi Cancer Center

Gary Martin, MD
Associate Professor, Department of Medicine, University of Washington, Seattle VA Medical Center

Dorothy Martinez, MD
Division of Endocrinology, UCLA School of Medicine

Dwight F. Matthias, MD
Fellow, Division of Endocrinology, Stanford University School of Medicine

Ernest Max, MD
Clinical Associate Professor, Department of Surgery, Baylor College of Medicine, Chief Executive Officer, Colon and Rectal Clinic

Richard W. McCallum, MD, FRCPMD
Professor of Medicine, Chief of Gastroenterology and Hepatology, Division of Gastroenterology, Department of Internal Medicine, University of Kansas Medical Center

Daniel J. McCarty, MD
Will and Cava Ross Professor of Medicine, Emeritus, Department of Medicine, Medical College of Wisconsin

James McGough, MD
Associate Clinical Professor, Department of Psychiatry, UCLA School of Medicine; Division of Child and Adolescent Psychiatry, UCLA Neuropsychiatric Institute

Robert R. McKendall, MD
Department of Neurology and Microbiology and Immunology, University of Texas Medical Branch

Peter McPhedran, MD
Department of Hematology, Yale-New Haven Hospital

Mohamed Medha Salem, MD
Assistant Professor of Clinical Medicine, Division of Nephrology/Hypertension, Department of Medicine, Northwestern University Medical School

Shlomo Melmed, MD
Professor of Medicine, Director, Research Institute, Director, Endocrinology and Metabolism, University of California, Los Angeles, School of Medicine; Cedars-Sinai Medical Center

Charles J. Menkes, MD
Professor of Medicine, Department of Rheumatology, Universite Rene Descartes, Hospital Cochin

Mani Menon, MD
Chairman, Department of Urology, Henry Ford Hospital, Professor of Urology, Case Western Reserve University

Klaus Mergener, MD
Section of Gastroenterology, Virginia Mason Medical Center

Keith C. Meyer, MD
Associate Professor of Medicine, Department of Internal Medicine, University of Wisconsin Medical School

Frederick Miller, MD, PhD
Department of Psychiatry, Evanston Northwestern Healthcare, Northwestern University

Myron Miller, MD
Professor, Department of Medicine, Johns Hopkins University School of Medicine; Director Division of Geriatric Medicine, Sinai Hospital of Baltimore

Philip B. Miner, Jr, MD
Oklahoma Foundation for Digestive Research Oklahoma University, Department of Medicine

Ginat W. Mirowski, DMD, MD
Assistant Professor, Department of Oral Surgery, Medicine Pathology, Indiana University School of Dentistry, Department of Dermatology, Indiana University School of Medicine

Murad Mokni, MD
Boston University School of Medicine, Department of Dermatology

John C. Morris, MD
Department of Neurology, Washington University School of Medicine

Dariusz Mozaffarian, MD
Fellow, Division of Cardiology, University of Washington

George T. Nahass, MD
Department of Dermatology, Saint Louis University Health Sciences Center

Samir K. Nath, MD
Fellow, Internal Medicine, Division of Gastroenterology, University of Texas Medical Branch

Dung A. Nguyen, MD
Fellow, Division of Pulmonary and Critical Care, Stanford University

Mark W. Niedfeldt, MD
Assistant Professor of Community & Family Medicine, Orthopaedic Surgery and Cellular Biology & Anatomy, Medical College of Wisconsin

Yvonne M. O'Meara, MB, BCh, FRCPI
College Lecturer/Consultant Physician, Department of Medicine and Therapeutics, Mater Misericordiae Hospital, University College Dublin

Deirdre A. O'Sullivan, MD
Department of Nephrology, Mayo Clinic and Mayo Foundation

Man S. Oh, MD
Professor, Department of Medicine, State University of New York, Health Science Center at Brooklyn

Donald E. Oken, MD
Emeritus Professor of Medicine, Medicine/ Division of Nephrology, Medical College of Virginia, Virginia Commonwealth University

Michael J. Olek, DO
Instructor, Department of Neurology, Harvard Medical School, Multiple Sclerosis Center, Brigham and Women's Hospital/ Massachusetts General Hospital

Claudia Ortiz Zein, MD
Fellow, Division of Gastroenterology and Hepatology, Mayo Clinic

George Ostapowicz, MD
Research Fellow, Division of Digestive and Liver Diseases, University of Texas Southwestern Medical Center

David N. Ostrow, MD, FRCPC, FACP, FCCP
Professor of Internal Medicine, University of British Columbia, Vice President, Clinical Services, Vancouver Hospital and Health Sciences Centre

Stephen A. Paget, MD
Physician in Chief, Hospital for Special Surgery; Joseph P. Routh Professor of Medicine, Weill Medical College of Cornell University

Charles Y.C. Pak, MD
Director of Mineral Metabolism, University of Texas Southwestern Medical Center

Mark S. Paller, MD
Professor of Medicine, University of Minnesota

Michele T. Pato, MD
Associate Professor, State University of New York at Buffalo; Director, OCD Research and Treatment Program, Buffalo General Hospital Clinical Director, Psychiatric and Molecular Genetics Laboratory, State University of New York at Buffalo

Jonathan Patz, MD, MPH
Assistant Professor and Director, Program on Health Effects of Global Environmental Change; Department of Environmental Health Sciences, Division of Occupational and Environmental Health; Johns Hopkins University, Bloomberg School of Public Health

David F. Penson, MD, MPH
Department of Urology, University of Washington

Tom L. Petty, MD
Professor of Medicine, University of Colorado School of Medicine; Faculty Consultant, Health ONE

Tania J. Phillips, MD
Boston University School of Medicine, Department of Dermatology

Thomas G. Pickering, MD
Cardiovascular Institute, Mount Sinai Hospital

Joseph C. Pierson, MD LTC, MC, USA
United States Military Academy, West Point

Susan K. Pingleton, MD
Professor of Medicine, Department of Medicine, Pulmonary and Critical Care Division, University of Kansas Medical Center

George M. Plotkin, MD, PhD
Instructor, Department of Neurology, Harvard Medical School, Staff Neurophysiology and Neurologist, Boston Veteran's Administration, Associate Neurologist, Brigham and Women's Hospital

Stephen R. Plymate, MD
Research Associate Professor, Department of Medicine; Geriatric Research Education and Clinical Center, University of Washington, School of Medicine, American Lake Veterans Affairs Medical Center

Frisso A. Potts, MD (FACP)
Harvard Medical School; Brockton/West Roxbury Veterans' Affairs Medical Center

Glenn M. Preminger, MD
Professor of Urologic Surgery, Department of Urology Director, Comprehensive Kidney Stone Center, Duke University Medical Center

Helen K. Chew, MD
Director, Clinical Breast Cancer Program, Division of Hematology/Oncology, UC Davis Cancer Center

Sudhansu Chokroverty, MD
Professor of Neurology, New York Medical College, Program Director and Associate Chairman, Department of Neurology; Chairman, Division of Neurophysiology; Director, Center of Sleep Medicine, Saint Vincents Hospital and Medical Center

Anthony W. Chow, MD, FRCPC, FACP
Division of Infectious Diseases, University of British Columbia, Faculty of Medicine, Vancouver Hospital Health Sciences Center, Division of Infectious Disease

Division of Pulmonary and Allergy Drug Products, Center for Drug Evaluation and Research, US Food and Drug Administration; Department of Medicine, Uniformed Services University of the Health Sciences; Department of Allergy and Immunology, Walter Reed Army Medical Center; James A Haley Veterans' Hospital

George P. Chrousos, MDScD
Professor of Pediatrics, Chief, Pediatric Endocrinology Section, Department of Pediatrics, Georgetown University School of Medicine, National Institutes of Health Clinical Center

Michael R. Clarkson, MB, BCh, MRCPi
Fellow in Nephrology, Department of Medicine and Therapeutics, Mater Misericordiae Hospital, University College Dublin

Mary Coats, RN, MSN, CS, GCNS
Department of Neurology, Washington University School of Medicine

Jack W. Coburn, MD
Nephrology Section, Veterans' Administration Healthcare Center, UCLA School of Medicine

Pejman Cohan, MD
Assistant Clinical Professor of Medicine, Department of Medicine, Division of Endocrinology, UCLA School of Medicine

Pejman Cohn, MD
Assistant Clinical Professor of Medicine, Department of Medicine, Division of Endocrinology, UCLA School of Medicine

Kimberly L. Collings
Oklahoma Foundation for Digestive Research

Catherine Cormier, MD
Assistant Professor of Medicine, Hospital Cochin, Department of Rheumatology

Carolyn J. Crandall, MD
Associate Professor of Medicine, David Geffen School of Medicine, UCLA; Iris Cantor-UCLA Women's Health Center

Jeffrey Crawford, MD
Professor, Division of Oncology, Department of Medicine, Duke University Medical Center

Mary E. Cronin, MD
Associate Professor of Medicine, Medical College of Wisconsin

Albert J. Czaja, MD
Consultant and Professor of Medicine, Division of Gastroenterology and Hepatology, Mayo Clinic and Mayo Foundation

Suzanne D'Auria, MD
Fellow Department of Internal Medicine, Division of Gastroenterology and Hepatology, Department of Pathology, University of Virginia Health Sciences Center

Bisher Daaboul, MD
Gastroenterology Fellow, Division of Gastroenterology, Department of Internal Medicine, University of Kansas Medical Center

C. Ralph Daniel III, MD
Department of Medicine (Dermatology), University of Mississippi Medical Center

Barbara De Lateur, MD
Professional Director, Physical Medicine and Rehabilitation, Johns Hopkins University School of Medicine

Vincent DeQuattro, MD
Chief, Hypertension, Division of Cardiology, LAC+, USC Medical Center, School of Medicine

Adrian M. Di Bisceglie, MD
Associate Chairman for Internal Medicine, Department of Internal Medicine, St. Louis University Health Science Center

Ananias C Diokno, MD
Chief, Department of Urology, William Beaumont Hospital

Robert G. Dluhy, MD
Associate Professor, Department of Medicine, Endocrine-Hypertension Division, Harvard Medical School

Guillermo A. do Pico, MD
Professor of Medicine, Department of Medicine, University of Wisconsin Medical School

Thomas P. Duffy, MD
Professor of Medicine, Division of Hematology, Yale University Medical Center; Director of the Hematology Fellowship Program, Yale University Medical Center

Charles J. Dunton, MD
Director, Division of Gynecologic Oncology, Albert Einstein Medical Center, Department of Obstetrics and Gynecology, Professor, Obstetrics and Gynecology, Jefferson Medical College

Janice Dutcher, MD
Our Lady of Mercy Cancer Center

Stephen B. Edge, MD
Department of Surgery, Roswell Park Cancer Institute, State University of New York at Buffalo

Jonathan Edlow, MD
Beth Israel Deaconess Medical Center, Harvard Medical School

Libby Edwards, MD
Associate Clinical Professor, Department of Dermatology, Wake Forest University, School of Medicine, Carolinas Medical Center

Conleth A. Egan, MD
Department of Dermatology, Beaumont Hospital

Mario A. Eisenberger, MD
Johns Hopkins University

Garabed Eknoyan, MD
Professor of Medicine, Department of Medicine, Baylor College of Medicine

Boni E. Elewski, MD
Professor, Department of Dermatology, University of Alabama

Anthony D. Elias, MD
Assistant Professor, Department of Medicine, Harvard Medical School, Medical Oncology, Dana Farber Cancer Institute

Michael H. Elman, MD
Professor of Clinical Medicine, Department of Medicine, Rheumatology Section, The Pritzker School of Medicine

Michael Emmett, MD
Chief of Internal Medicine, Baylor University Medical Center

Gulchin A. Ergun, MD
Baylor College of Medicine, The Methodist Hospital

Atilla Ertan, MD
Professor of Medicine, the Department of Internal Medicine, Baylor College of Medicine

Michael Evans, MD, CCFP
Assistant Professor, Research Scholar University Health Network, Dept of Family & Community Medicine, University of Toronto

Bruce M. Ewenstein, MD, PhD
Assistant Professor of Medicine, Harvard Medical School

Gordon A. Ewy, MD
Professor and Chief of Cardiology, Director, Department of Cardiology, Department of Medicine, University of Arizona College of Medicine, University of Arizona Medical Center

John Farmer, MD
Associate Professor of Medicine, Department of Cardiology, Baylor College of Medicine

John L. Faul, MD
Division of Pulmonary and Critical Care Medicine, Stanford University Medical Center

Jan Fawcett, MD
Department of Psychiatry, Rush Medical College, Chicago, Illinois; Rush-Presbyterian-St. Luke's Medical Center

Ronald Feld, MD, FRCPC
Professor of Medicine, Princess Margaret Comprehensive Cancer Centre

David Feldman, MD
Professor of Medicine, Division of Endocrinology, Gerontology, and Metabolism, Stanford University School of Medicine

M Brian Fennerty, MD
Professor of Medicine and Section Chief, Gastroenterology, Oregon Health Sciences University

Ernesto Fernández-Ber, MD
Assistant Clinical Professor, Department of Neurology, Emory University School of Medicine

Michael B. Fessler, MD
National Jewish Medical and Research Center, University of Colorado Health Sciences Center

Theodore Fields, MD
Associate Professor of Clinical Medicine, Weill Medical College of Cornell University; Director of Rheumatology Faculty Practice Plan, The Hospital for Special Surgery

Rose S. Fife, MD
Professor of Medicine, Biochemistry, and Molecular Biology, Assistant Dean, Indiana University School of Medicine
